## My Stuff RUTH CHAPMAN

### DAILY ROUTINE

It starts with a Pilates session (occasionally), then a breakfast meeting at Colbert (their porridge is the best I've ever had), an Uber to our office, at London Bridge, for internal and external meetings, followed by dinner somewhere in London with my husband and friends—River Cafe and Riva are favorites.

### BEAUTY

"Passed down from Mom" beauty routine "Always take your makeup off before bed." "Can't live without" product Vaishaly face oil. Favorite sunscreen brand SkinCeuticals. Favorite bath products Ren aromatherapy shower-and-bath essential oils. Go-to beauty brand Laura Mercier. On your top shelf Sisley night cream. Greatest beauty indulgence Sleep.

### APPRECIATIONS

**Favorite coffee shop** Gjusta, in Venice, California. **Favorite season** I love all seasons, which is why I don't think I could live in L.A., even though I adore being there. Winter is so romantic. **Favorite writer** Gabriel García Márquez. **Favorite film director** Quentin Tarantino. **Favorite fine artists** Marlene Dumas and Lynette Yiadom-Boakye. **Favorite performer** I love watching Pete Postlethwaite. **All-time Hollywood crush** Benicio Del Toro. **Favorite lyric** That's easy: "Is there a tumor in your humor?" ("Supreme," by Robbie Williams.) **Spirit animal** A racehorse. **With whom would you most want to have coffee** Barack and Michelle Obama. **Guilty pleasure** Kings Road popcorn and Rococo salted caramels. **Career in your next life** Human-rights lawyer.

### HOME

**Favorite room** Our sitting room. It's light, super-cozy, and very connected to the garden. **Favorite piece of furniture** Our new orange Pierre Jeanneret committee chairs from 1953. **Do you wear shoes inside your home** No, I don't. I wear my Charvet men's slippers at home and occasionally out too. **Favorite piece you collected while traveling** My blue-and-white Meissen plates from the Clignancourt flea market in Paris or my Balinese masks. **Favorite family heirloom** Our pre-digital photo albums. **Best way to decompress** I love to read, walk the dogs on Wimbledon Common, or entertain family and friends. **Last thing you cooked** Roast chicken and cheese mash for my in-laws.

### TECH

**Favorite app** Real Clear Politics—I have been obsessed, like everyone. **Cable or Apple TV** Our TV system is so confusing that I can't watch it unassisted. **Favorite person to follow on Instagram** Alexander Fury—he makes me laugh a lot. I also stalk my daughters. **On your music playlist** Eartha Kitt, Wings, Paloma Faith, Amy Winehouse, and any Tamla Motown.

### CLOTHES

**Favorite article of clothing** Hillier Bartley coat with shearling collar. **Most recent purchase** Sonia Rykiel leather knee-high boots at Matchesfashion.com. **Favorite robe brand** I have a silk Carine Gilson kimono for the summer months and a cashmere Morpho + Luna robe for the winter. **Sentimental jewelry piece** My diamond engagement ring. **You love but never wear** A pair of Dolce & Gabbana Mary Janes covered in jewels. **Favorite vintage piece** Dior navy coat from William Vintage. **Favorite sunglasses** The Row or Céline. **Go-to bag for the day** Maison Margiela black leather tote. **Go-to bag for the evening** Hillier Bartley Bunny leather clutch. **Person you look up to the most** Diane von Furstenberg. She is unashamedly true to herself. **Favorite style icons** Katharine Hepburn and Catherine Deneuve.

**R**uth Chapman, who together with her husband, Tom, founded the British style behemoth Matchesfashion.com, is known on both sides of the Atlantic for her flawless taste. Herewith, the entrepreneur shares some of her favorite things...
